

### Total cleaning coverage

Even a packed dishwasher will get a thorough clean with the Series 40 OrbitClean dishwasher. The spray arm ensures water reaches every corner, so no dish, glass or plate is missed. And with up to three-times better spray coverage than the average, you can expect sparkling results every time.

Even a packed dishwasher will get a thorough clean with the Series 40 OrbitClean dishwasher. The spray arm ensures water reaches every corner, so no dish, glass or plate is missed. And with up to three-times better spray coverage than the average, you can expect sparkling results every time.

## Product Benefits & Features

### Reach every corner with OrbitClean

Brilliant dishwashing results are easily achieved with OrbitClean, giving your dishes three times better spray coverage than a standard dishwashing system. The double-rotating mechanism changes direction and angle during the cycle so water reaches every corner.

- Built in
- Capacity: 13 place settings
- Number of programmes: 8
- Height adjustable upper basket
- Foldable cup shelves
- Salt & rinse aid indicators
- Rinse and hold
- Time remaining indicator
- 9.9 litres water consumption
- A class cleaning performance

### Every glass cared for, with SoftSpikes

SoftSpikes are designed for reassurance. Forget manually handwashing delicate glasses, as the soft rubber pads will hold them securely in place during cycles. Total peace of mind, no matter what type of glass.

### Intuitive cycle setting, with TimeSet

TimeSet is the easy way to start a cycle. Choose how long you would like the cycle to be, and then pick any extras you need – the machine does the rest. Just close the door, and relax.

### Stay updated, with Beam On Floor

The Beam On Floor function projects a coloured spot on the floor in front of the dishwasher, showing if a cycle is running or has finished. Red will indicate that it's running, and green will tell you that it's finished. So you'll always be informed.

### Three times better drying, with AirDry

AirDry technology lets air into the dishwasher in the last phase of the drying process. The door will automatically open to allow a 10cm gap, for up to three-times better drying, compared to our closed-door systems.

**Product Specification**

Installation	Fully integrated	Dishwasher programs	160 Minutes, 60 Minutes, 90 Minutes, AUTO Sense, ECO, Machine Care, Quick 30 Minutes, Rinse & Hold
Construction type	Built-In	ProdPartCode	All Open
Dimensions (mm) (HxWxD)	818x596x550	Noise Level	44
Built-under installation dimensions, mm (HxWxD)	820-900x600x550	Maximum number of place settings (EU 2017/1369)	13
Double Hinges	Sliding	Weighted energy consumption in kWh per 100 washing cycles of eco 40-60 programme (EU 2017/1369)	84
Water Supply	Cold or hot	The water consumption of the eco programme in liters per cycle (EU 2017/1369)	9.9
Cord Length	1.5	Cleaning performance index (EU 2017/1369)	1.121
Inlet hose length (mm)	150	Drying performance index (EU 2017/1369)	1.061
Outlet hose length (mm)	150		
Connected load (W)	1950		
Wheels/feet	2 adj feet + 1 front adj rear foot; Adj 0 to 8 cm		
Voltage (V)	220-240		
Required Fuse	10		
Frequency (Hz)	50		
Number of programmes	8		
Number of Temperatures	3		
Door Colour	None		
Anti-flood Device	Floating switch		
Inlet Pipe Type	Aqua control		
Spray arm	None		
Top spraying level	None		
Options	GlassCare, XtraPower		
Drying System	AirDry Technology
